ERor Get in the 42me The closing series of many Leagues will soon be in order - and the keenest interest of any part of the season is in evidence at this stage of the game. The teams are watched closely just at this time, and every player wants to do his best and every "fan" feel his finest. The players 5.5.5 that are the most vigorous will be the winners, and the fans that be the winners, and the fans that
are the healthiest will get the most enjoyment out of the game. If your
health is not up to standard, your lack of vigor
is most likely the result of an impure condition
of the blood—perhaps from the change ir seasons or climate, or you may without
fully realizing it, have Catarch, or Malaria, or some form of Rheumatism in
your system, that you can check easier
now than you can later. In either event
your blood needs the assistance
of 3.5.5. to help throw off the
poisons and give it the vital
qualities that only \$5.5. can
give. Buy \$5.5.5, at any
store—today—and get in the winners class.
